

Privacy Policy

Tokyo Nighttime Project Executive Committee (hereinafter referred to as "the Executive Committee") handles the collection, use, and management of personal information appropriately as follows and implements the following measures to ensure security.

1. Compliance with laws regarding the protection of personal information

When handling personal information related to events organized by the Executive Committee, we comply with the Act on the Protection of Personal Information and other relevant laws.

2. Responsibilities as the Executive Committee

When collecting personal information, we clarify the purpose of collection and make it clear that we collect only within the scope necessary to achieve that purpose, and in principle we receive information provided based on the individual's will.

Furthermore, except for notifications about future events and inquiries about policies and related content from event organizers, we will not use personal information within the Executive Committee beyond its collection purpose or provide it to anyone outside the Executive Committee members.

3. Thorough security management measures for personal information

We appoint a person responsible for information management who handles personal information and work toward appropriate management for personal information protection.

Additionally, we implement appropriate measures to protect and maintain the personal information we receive from leakage, theft, loss, damage, etc.

4. Other matters regarding the handling of personal information

When an individual requests disclosure or suspension of use of their personal information, or when disclosure reveals incorrect information and an individual requests correction or deletion, we will respond without delay.

We also ensure that all Executive Committee members, secretariat staff, and related organizations strictly follow this policy and work to raise security awareness. For inquiries about personal information and disclosure requests, please contact us at the address below.
